ARTICLE 5: FREEDOM OF INFORMATION ACT

5.1 **Protection from Disclosure.** The USG Parties shall take all reasonable measures to protect from public disclosure all information submitted by the Communications Service Providers (or other entities in accordance with the terms of this Agreement) to the USG Parties in connection with this Agreement and clearly marked with the legend "Business Confidential; subject to protection under 5 U.S.C. § 553(b); not to be released without notice to the filing party" or similar designation. Such markings shall signify that it is the Communications Service Providers position that the information so marked constitutes "trade secrets" and/or "commercial or financial information obtained from a person and privileged or confidential," or otherwise warrants protection within the meaning of 5 U.S.C. § 552(b)(4). For the purposes of 5 U.S.C. § 552(b)(4), the Parties agree that information so marked is voluntarily submitted. If a request is made under 5 U.S.C. § 552(a)(3) for information so marked, and disclosure of any information (including disclosure in redacted form) is contemplated, the USG Parties, as appropriate, shall notify the Communications Service Providers of the intended disclosure as provided by Executive Order 12600, 52 Fed. Reg. 23781 (June 25, 1987). If the Communications Service Providers object to the intended disclosure and their objections are not sustained, the USG Parties, as appropriate, shall notify the Communications Service Providers of its intention to release (as provided by Section 5 of E.O. 12600) not later than **five (5) business days** prior to disclosure of the challenged information.

5.2 **Use of Information for U.S. Government Purposes.** Nothing in this Agreement shall prevent the USG Parties from lawfully disseminating information as appropriate to seek enforcement of this Agreement, or from lawfully sharing information as appropriate with other federal, state, or local Government Authorities to protect public safety, law enforcement, or national security interests, provided that the USG Parties take all reasonable measures to protect the information from public disclosure. Further, nothing in this Agreement shall limit the ability of the USG Parties to disclose this Agreement or any information related to this Agreement to enforce or comply with any federal law or regulation.

ARTICLE 6: FCC CONDITION

6.1 **FCC Approval.** Upon the execution of this Agreement by all the Parties, the USG Parties shall, on their own motion at an appropriate time or at the request of the Communications Service Providers, notify the FCC that, provided the FCC adopts a condition substantially the same as set forth in Exhibit A attached hereto (the "**Condition to FCC Authorization**"), the USG Parties have no objection to the FCC's grant of the pending Application described in the

RELIANCE - YIPES

Recitals of this Agreement. This Section is effective upon the Effective Date, provided however that in the case of a material modification or withdrawal of the Application after the execution of this Agreement the effectiveness of this Section may be suspended by the USG Parties, and any such FCC filing is subject to the right to object.

ARTICLE 7: DISPUTES

7.1 Informal Resolution. The Parties shall use their best efforts to resolve any disagreements that may arise under this Agreement. Disagreements shall be addressed, in the first instance, at the staff level by the Parties' designated representatives. Any disagreement that has not been resolved at that level shall be submitted promptly to the Assistant Secretary Policy of DHS, the Assistant Attorney General for the National Security Division of DOJ, and the General Counsel of Yipes Holdings and Yipes Services, or their respective designees, unless the USG Parties believe that important national interests can be protected, or Yipes believes that paramount commercial interests can be resolved, only by resorting to the measures set forth in Section 7.2. If, after meeting with higher authorized officials, any of the Parties determines that further negotiation would be fruitless, then that Party may resort to the remedies set forth in Section 7.2.

7.2 Enforcement of Agreement. Subject to Section 7.1 of this Agreement, if any of the Parties believes that any other Party has breached or is about to breach this Agreement, that Party may bring an action against the other Party for appropriate judicial relief. Nothing in this Agreement shall limit or affect the right of a U.S. Government Authority to:

- (a) require that the Party or Parties believed to have breached, or about to breach, this Agreement cure such breach within **thirty (30) days**, or whatever shorter time period is appropriate under the circumstances, upon receiving written notice of such breach;
- (b) request that the FCC modify, condition, revoke, cancel, or render null and void any license, permit, or other authorization granted or given by the FCC to Yipes, request that the FCC take other action, or request that the FCC impose any other appropriate sanction, including but not limited to a forfeiture or other monetary penalty, against Yipes;
- (c) seek civil sanctions for any violation by the Communications Service Providers of any U.S. law or regulation or term of this Agreement;
- (d) pursue criminal sanctions against the Communications Service Providers, or any officer, director, employee, contractor, or agent of the Communications Service

RELIANCE - YIPES

Providers, or against any other person or entity, for violations of the criminal laws of the United States; or

- (e) seek suspension or debarment of the Communications Service Providers from eligibility for contracting with the U.S. Government.

7.3 **Irreparable Injury.** The Communications Service Providers agree that the United States would suffer irreparable injury if for any reason the Communications Service Providers (or any of them) failed to perform any of its obligations under this Agreement, and that monetary relief would not be an adequate remedy. Accordingly, the Communications Service Providers agree that, in seeking to enforce this Agreement, the USG Parties shall be entitled, in addition to any other remedy available at law or equity, to specific performance and injunctive or other equitable relief.

7.4 **Waiver.** The availability of any civil remedy under this Agreement shall not prejudice the exercise of any other civil remedy under this Agreement or under any provision of law, nor shall any action taken by a Party in the exercise of any remedy be considered a waiver by that Party of any other rights or remedies. The failure of any Party to insist on strict performance of any of the provisions of this Agreement, or to exercise any right they grant, shall not be construed as a relinquishment or future waiver; rather, the provision or right shall continue in full force. No waiver by any Party of any provision or right shall be valid unless it is in writing and signed by the Party.

7.5 **Waiver of Immunity.** The Communications Service Providers agree that, to the extent that they or any of their property (including FCC licenses and authorizations and intangible property) is or becomes entitled at any time to any immunity on the ground of sovereignty or otherwise based upon a status as an agency or instrumentality of Government from any legal action, suit or proceeding or from setoff or counterclaim relating to this Agreement, from the jurisdiction of any competent court or the FCC, from service of process, from attachment prior to judgment, from attachment in aid of execution of a judgment, from execution pursuant to a judgment or arbitral award, or from any other legal process in any jurisdiction, it, for itself and its property expressly, irrevocably and unconditionally waives, and agrees not to plead or claim, any such immunity with respect to matters arising with respect to this Agreement or the obligations herein (including any obligation for the payment of money) in any proceeding brought by a U.S. federal, state, or local Government Authority. The Communications Service Providers agree that the waiver in this provision is irrevocable and is not subject to withdrawal in any jurisdiction or under any statute, including the Foreign Sovereign Immunities Act, 28 U.S.C. § 1602 *et seq.* The foregoing waiver shall constitute a present waiver of immunity at any time any action is initiated by a U.S. federal, state, or local Government Authority against the Communications Service Providers (or any of them) with respect to compliance with this Agreement.

RELIANCE - YIPES

7.6 **Forum Selection.** It is agreed by and between the Parties that a civil action among the Parties for judicial relief with respect to any dispute or matter whatsoever arising under, in connection with, or incident to, this Agreement shall be brought, if at all, in the United States District Court for the District of Columbia.

ARTICLE 8: OTHER

8.1 **Right to Make and Perform Agreement.** The Communications Service Providers represent that they have and shall continue to have throughout the term of this Agreement the full right to enter into this Agreement and perform its obligations hereunder and that this Agreement is a legal, valid, and binding obligation of the Communications Service Providers enforceable in accordance with its terms.

8.2 **Headings.** The Article and Section headings and numbering in this Agreement are inserted for convenience only and shall not affect the meaning or interpretation of the terms of this Agreement.

8.3 **Other Laws.** Nothing in this Agreement is intended to limit or constitute a waiver of: (a) any obligation imposed by any U.S. federal, state, or local laws on the Communications Service Providers; (b) any enforcement authority available under any U.S. or state laws; (c) the sovereign immunity of the United States; or (d) any authority the U.S. Government may possess over the activities or facilities of the Communications Service Providers located within or outside the United States (including authority pursuant to the International Emergency Economic Powers Act). Nothing in this Agreement is intended to or is to be interpreted to require the Parties to violate any applicable U.S. law.

8.4 **Statutory References.** All references in this Agreement to statutory provisions shall include any future amendments to such statutory provisions.

8.5 **Non-Parties.** Nothing in this Agreement is intended to confer or does confer any rights on any person other than the Parties and any Government Authorities that utilize Lawful U.S. Process.

8.6 **Entire Agreement; Modifications.** This Agreement constitutes the entire agreement between the Parties pertaining to the subject matter hereof and supersedes all prior agreements, understandings, negotiations, and discussions, whether oral or written, of the Parties with respect to the subject matter. This Agreement may only be modified by written agreement signed by all of the Parties. The USG Parties agree to consider promptly and in good faith possible modifications to this Agreement if the Communications Service Providers believe that the obligations imposed on them under this Agreement are substantially more restrictive than those imposed on other U.S. and foreign licensed service providers in like circumstances in order to

RELIANCE - YIPES

protect U.S. national security, law enforcement, and public safety concerns. Any substantial modification to this Agreement shall be reported to the FCC within **thirty (30) days** after approval in writing by the Parties.

8.7 **Severability.** The provisions of this Agreement shall be severable and if any provision thereof or the application of such provision under any circumstances is held invalid by a court of competent jurisdiction, it shall not affect any other provision of this Agreement or the application of any provision thereof.

8.8 **Changes in Circumstances for Yipes.** The USG Parties agree to negotiate in good faith and promptly with respect to any request by the Communications Service Providers for relief from application of specific provisions of this Agreement if there is a change in circumstances such that those provisions become unduly burdensome or have a demonstrably adverse effect on Yipes competitive position.

8.9 **Changes in Circumstances for the USG Parties.** If after the date that all the Parties have executed this Agreement, the USG Parties find that the terms of this Agreement are inadequate to address national security, law enforcement, or public safety concerns, then the Communications Service Providers shall negotiate in good faith to modify this Agreement to address those concerns.

8.10 **Counterparts.** This Agreement may be executed in one or more counterparts, including by facsimile, each of which shall together constitute one and the same instrument.

8.11 **Successors and Assigns.** This Agreement shall inure to the benefit of, and shall be binding upon, the Parties, and their respective successors and assigns. This Agreement shall also be binding on all subsidiaries, divisions, departments, branches, and other components or agents of the Communications Service Providers, and on all Affiliates of the Communications Service Providers.

8.12 **Effectiveness of Agreement.** Except as otherwise specifically provided in the provisions of this Agreement, the obligations imposed and rights conferred by this Agreement shall take effect upon the Effective Date.

8.13 **Notice of Additional Services.** The Communications Service Providers shall provide a minimum of **thirty (30) days** advanced notice to the USG Parties in the event that the Communications Service Providers or any Affiliate changes or intends to change the technical or operation plans set forth in the Recitals to this Agreement such that the material representations made therein are no longer fully accurate, true and complete.

RELIANCE - YIPES

8.14 **Non-Circumvention.** The Communications Service Providers shall not take any action outside the United States, through the use of a contractor, or through the use of any other agent which violates this Agreement.
